"The blessing of throats, invoking the intercession of St. Blaise, has become a very popular devotion. On his way to prison, a distracted mother whose child was suffering from a disease of the throat implored his aid. At his intercession the child was cured, and since that time his aid has often been solicited in cases of a similar disease."

"The priest in giving the blessing of St. Blaise holds two candles in the form of a cross touching the throat, and prays that through the merits and intercession of St. Blaise the person blessed may be delivered from throat diseases and from every other evil."—from *Lives of the Saints*, Catholic Book Publishing Co., NY.
