**Participation in 2020 Census Encouraged**

The Bishops of the United States and Bishop Baldacchino are urging all people to be counted in the 2020 Census. Bishop Baldacchino reminds us that being counted is good for our government, it is good for businesses, it is good for our Church, and most of all it is good for our communities. For every person NOT counted in the Census our state will lose about \$40,000 in funding for the next 10 years. Our communities need this funding. Let us make sure everyone is counted.

**REPORT SEXUAL ABUSE**
